

Crescent Lighting: HPT8 Product Offering

This list is provided as a service to those interested in purchasing four-foot linear fluorescent fixtures with High Performance T8 ballasts and 32 Watt high-lumen lamps. It is based solely on information provided by fixture manufacturers. DLC, its sponsors, and/or its contractors make no representation regarding the accuracy or completeness of the information on the list, nor do they endorse any fixture listed or guarantee, warrant, or in any way represent or assume liability for any work proposed or carried out using any fixture included on the list. The inclusion or absence of a particular fixture on the list should not be construed as bearing on its eligibility related to any sponsor incentive program.

Manufacturer Name	Model Number	Fixture Type	Number of Lamps	Ballast Type	Ballast Factor (BF)	Ballast Efficacy Factor (BEF)	Input Watts
